WHAT'S NEW

“Bringing you the finest places around the world is what we love to do here at Upscale Living magazine. In keeping with this tradition, we are focusing on introducing you to new kids on the block or accommodation establishments with a re-looked lease on life. Grab your travel diary as you want to get to these places as soon as possible!”

BRENTON HOTEL

NEWPORT, RHODE ISLAND

Located on the bustling waterfront in the heart of downtown Newport, RI, the newly built and locally owned Brenton Hotel opened on July 31, 2020.

Distinctively Newport from experience to architectural design, the Brenton Hotel redefines Gilded Age luxury with 57 rooms and suites, which are among the most spacious in town with interior finishes that evoke the feeling of an extravagant yacht.

Floor-to-ceiling windows throughout Brenton's public spaces and guestrooms offer panoramic views of the world-renowned harbor and historic cityscape. Six stories above the harbor is the hotel's outdoor oasis: an environmentally sensitive green rooftop with unparalleled views of Newport.

The Roof Top is an open-air playground engaging locals

and guests in leisure games of cornhole, foosball, and ping pong. Surrounded by a flourish of lush succulents and greenery, a relaxed layout of lounge seating includes outdoor sofas and fire pits.

As a backdrop, the Roof Top offers unobstructed views of the Newport harbor at sunset, steeped New England churches, sailboats and superyachts, lighthouses, forts, and mansions.

The Living Room, found on Brenton's second floor, surrounds guests with panoramic views of the harbor and historic cityscape, inviting sounds of a convivial brass bar, and casual conversation of locals after a day of sailing.

Stylishly furnished with intimate groups of sofas, armchairs, and low tables that recreate the relaxed feeling of home, the waterfront dining

venue offers a locally sourced menu of shared plates and vibrant craft cocktails inspired by its breathtaking coastal views.

As a way to inspire conversation and connect guests with local fare, Executive Chef Kevin Wood developed a shareable menu of elevated yet approachable dishes integrating local and New England sourced ingredients ranging from daily caught oysters, local charcuterie and cheese boards, and Narragansett Bay littleneck stuffies, to grilled lamb lollipops persillé with sweet potato and rosemary jalapeño oil, and tortellini in lobster cream sauce.
